19. Mt Keira - Ring Track

This is an iconic Wollongong and Illawarra Escarpment walk which circumnavigates Mt Keira but unfortunately is partly closed due to a rock fall on the north side of the mountain. Do not let this put you off as the sections that are open are a great rainforest experience. Best starting points are either Byarong Park, a pleasant picnic spot in rainforest, which is part way up Mt Keira Rd from West Wollongong or the same start point for walk 10.

Length: Up to 4km

Time: Up to 2 hours

Grade: Easy - Medium

Access: Byarong Park or Cnr Mt Keira Rd and Queen Elizabeth Drive

20. Mt Kembla—Ring Track

This walk can be started at the same location as walk 8 but is an easier option. It has a section of excellent rainforest as the track descends to a fire trail which then should be taken to the north and circumnavigates the mountain eventually meeting Cordeaux Rd. The bitumen road must then be walked back up to the car park. This track can also be accessed from the top of Farmborough Rd. Pass through the locked gate and climb up the steep road past historic mining cottages and pit pony stables.

Length: 5km return

Time: 1.5—2 hours

Grade: Easy – some steps

Access: Mt Kembla lookout carpark—Upper Cordeaux Rd

15. Hill 60 and surrounds — Port Kembla coast

Great coastal views and a sense of achievement can be found on this walk. Starting from the car park near Port Kembla swimming pool climb the steep grassy slope then using laneways, stairs and footpaths continue all the way to the lookout at the highest point on Hill 60. After taking in the extensive views find the well defined track down the northern side of the hill. At the bottom cross the grass and walk north, on path, beach or rocks, all the way to the white triangle shaped, (old tank trap) features on the headland in the distance. Here is the Breakwater Battery Museum and just beyond, under the harbour pilot station, there is a café as well. Then you can either walk back to the start along pathway, explore further around the museum or the industrial harbour and breakwater area.

Length: Up to 6km return

Time: Up to 2.5 hours

Grade: Medium—steep sections

Access: Cnr Olympic Blvd & Cowper St, Port Kembla
